## HOW TO FIND US

From the M5 motorway, exit at junction 11 (if coming from the north ignore Cheltenham sign at junction 10).

At the top of the slip road join the A40 signed Cheltenham and proceed to the first roundabout, which is approximately half a mile. Follow the A40 over the roundabout and GCHQ will be on your left hand side. Proceed to the next roundabout (about 800 meters) and follow the A40.

After approximately 500 yards, you will see a toucan crossing. Burlington House is situated immediately after this crossing on your right hand side. You can turn directly into the drive.

### IF COMING FROM THE EAST:

On entering Cheltenham (you will probably already be on the A40), follow the A40 signed Gloucester/M5 Motorway for approximately 2 miles until you see a Shell petrol station on your left hand side, closely followed by TGI Fridays on the same side. After a further 200 yards you will see a Toucan Crossing. Burlington House is situated immediately before this crossing on your left hand side. Our sign is easy to spot.

### FROM CHELTENHAM SPA RAIL STATION

On arrival at Cheltenham Spa rail station, do not leave station by the main entrance, but by the exit signed "Gloucester Road". If arriving from the north you will need to cross the bridge to this exit but if arriving from the south, the exit is the same side as the platform.

On leaving the exit, turn LEFT and walk along Gloucester Rd for about 400 yards, when you will see a Shell service station in front of you. Bear RIGHT here with the main road (still Gloucester Rd), and pass TGI Friday on the left followed by a Texaco service station on the same side. You should now be able to see a Toucan crossing about 100 yards ahead and Burlington House is situated immediately before this on the left hand side.
